## Interprofessional Care Team Round 2 Update

The NWT PCN is pleased to share we had 3 proposals successfully submitted for the IPCT Round 2 funding opportunity.

Unison CHC	Humber River FHT	Black Creek CHC
<p><b>Collaborator(s):</b> Schulich Family Medicine Teaching Unit (FMTU)</p> <p><b>Model:</b> Establish a new academic teaching site at Unison. Create an additional satellite site at Humber River Health (HRH) Church campus.</p>	<p><b>Collaborator(s):</b> Humber River FHO, Syme Woolner, Progress Place, York West Active Living Centre, Across Boundaries</p> <p><b>Model:</b> Establishing neighborhood-based primary care hubs and mobile services.</p>	<p><b>Collaborator(s):</b> Norfinch FHO, The Station Clinic, Yorkview Medical, Emery Keelesdale Nurse Practitioner Led Clinic, Cianfrone Medical and Associates, Planned Parenthood Community Health Centre</p> <p><b>Model:</b> Expanding mobile care, inter-professional teams, and community-rooted navigation.</p>

Results of Round 2 will be announced in Spring 2026. Stay tuned for updates!

## AI Scribe

### Get your free trial of AI scribe today!

Curious about how AI can benefit your clinical practice? Join the Health Care Unburdened Grant program and get free access to AutoScribe up to May 31, 2026.

- AI scribe technology supports care clinics by transcribing patient-clinician conversations in real-time, enhancing medical record documentation, and potentially saving you up to 50% on your charting time.
- Funding for this multi-partner initiative to implement AI scribe technology was made possible by the Canadian Medical Association, MD Financial Management Inc. and Scotiabank as part of the [Health Care Unburdened Grant](#) program.

## Health Care Connect: Find a Family Doctor or Nurse Practitioner

Looking at attaching more patients to your practice? **Health Care Connect can help**

**Health Care Connect** is a publicly funded program in Ontario that helps residents without a family doctor or nurse practitioner find one who is accepting new patients. *Note: Physicians receive a bonus for attaching patients on the Health Care Connect waitlist.*

Visit our [Health Care Connect webpage on the NWT OHT website](#) to learn more about the program and find a copy of the promotional postcard.

## Clinical Intake Nurse

As part of our PCN work around Attachment Enablers, we recently created a **Clinical Intake Nurse** role, in collaboration with Unison Health & Community Services.

- Start date was November 10, 2025
- 4 clinicians will be receiving support from this role
- Scope of support has been expanded beyond patients from Health Care Connect waitlist
- Support will be virtual in nature and expand pending continuation of funding

## The HUB@2115 & Canadian Centre for Victims of Torture (CCVT) Partnership

### The HUB@2115 newest partnership: Canadian Centre for Victims of Torture (CCVT)

Starting October 29, 2025, join us every last Wednesday of the month for in-person trauma-informed mental health services, including:

- ✓ Counseling & Psychotherapy
- ✓ Group Therapy & Crisis Intervention
- ✓ Multilingual Interpretation Services
- ✓ Referrals to Community Resources

**The HUB@2115**  
Suite 204, 2115 Finch Ave. West
